DESCRIPTION OF PROPOSED WORKS

Drilled well, electric motor, pump and piping to house and land. State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions. Estimated cost of works \$2000 .. 5. 6. Estimated time required to construct works 3 years Remarks_ For use of applicant s/ James E. Tallent __, Applicant. By_ Compared HS/AM HS/AM __OF STATE ENGINEER This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source and is limited to what the well will produce but not to exceed O.10 c.f.s. It is understood that this right must allow for a reasonable lowering of the static water level at permittees well due to other ground water development in the area. A substantial weir or other type of measuring device must be installed and measurements of water use kept, and a method provided, either air line or opening, for measuring depth to water. The State retains the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.10 cubic feet per second, or a yearly duty of 4.0 acre-feet per acre of land irrigated. Actual construction work shall begin on or before May 12, 1959 Proof of commencement of work shall be filed before June 12, 1959 Work must be prosecuted with reasonable diligence and be completed on or before ___ May 12. 1960 Proof of completion of work shall be filed before June 12, 1960 Application of water to beneficial use shall be made on or before. May 12, 1961 . Proof of the application of water to beneficial use must be filed with State Engineer on or before June 12, 1961 WITNESS MY HAND AND SEAL this 12th day Map filed July 29, 1958 Commencement of work filed MAY 1 1959 of November Completion of work filed...... ____MAY_1...
